Terms and Conditions

These Terms & Conditions (T&C's) provide important information about the Balkerne Asset Management Managed Stockbroking Service and are designed to help you make an informed choice about your intended investment. This document does not in itself constitute the provision of advice or make any assumptions as to the suitability of the investment for you.

Prior to investing in the Balkerne Asset Management Managed Stockbroking Service you should consult with your Financial Adviser.

Balkerne Asset Management is a trading style of Capel Court Plc which is authorised and regulated by the Financial Conduct Authority (No. 154146)

Important Information

These are the Terms and Conditions for your Balkerne Asset Management Managed Stockbroking Service. You are advised to read them carefully. The terms of the Application Form and Key Features Document also form part of these terms.

These Terms amend the terms of any agreement which we previously entered into with you in respect of the Investment Portfolio.

1 Commencement

These Terms set out the detail of an agreement between you and us. Such agreement will come into force on the Effective Date. We reserve the right to reject an application.

2 Appointment

2.1 You appoint Balkerne Asset Management as Discretionary Managers for your Investment Portfolio with authority to manage it in accordance with these Terms, your Application Form, the Key Features Document and the Regulations.

2.2 You authorise Balkerne Asset Management to undertake any functions required of a Discretionary Manager under the Regulations on your behalf and to comply with any other legislation or regulation which may affect, or be in any way connected with, the Investment Portfolio now or in the future.

3 Delegation

3.1 Subject to the Rules and Regulations, we may delegate any of our functions or responsibilities under these Terms to any person provided that before doing so we satisfy ourselves that such person is competent to carry out those functions or responsibilities.

3.2 We may appoint an Associated Company duly authorised to act as such to be manager of your Investment Portfolio in our place. In such circumstances, that Associate Company will manage the Investment Portfolio in accordance with these terms.

4 Material Interests

You agree that your investments will be registered in the same name as those of other clients and that, in consequence, from time to time as part of normal settlement procedures where investments are pooled, your investments may be used with those of other clients to settle various transactions. You should be aware that your investments will not necessarily be immediately identifiable, and that, if we were to become insolvent, you might encounter delays in recovering your assets and possibly an increased risk of loss.

5 Notices

5.1 All notices and instructions and any other documents relating to these Terms must be sent to us at our Administrative Office.

5.2 We will send you all statements, notices and other documents relating to these Terms to your most recent address notified to us. They will be deemed to be received by you on the fifth Business Day after posting.

5.3 All cheques, documents of title, etc., may be sent by post to your last known address and at your own risk. The Recorded Delivery service will not normally be used.

6 Management

6.1 We will review and manage your investment portfolio on a discretionary basis, according to your chosen investment strategy. We may take such action as we in our absolute discretion determine regarding all voting and other rights and powers and shall not be under any obligation to inform you of each occasion of the opportunity to vote.

- 6.2 The investments in the Managed Stockbroking Service will be restricted to equities, gilts and other fixed-interest/bond investments, unit trusts, investment trusts, open-ended investment companies, other collective investments, alternative investments (such as absolute return funds or multi-asset strategy funds) and cash. We will assume that there are to be no restrictions on us regarding the type of investment or markets in which funds can be invested, unless agreed in writing to the contrary, e.g. for ethical reasons.
- 6.3 We or any Associated Company may aggregate any transaction for you with those of other investors although this may result in a less favourable transaction price than might have been achieved had the transaction been effected separately.
- 6.4 You may not create any security over, or transfer your rights in, the portfolio investments.

7 Custody

- 7.1 You have agreed for your investments to be registered in the name of Winterflood Client Nominees Ltd, The Atrium Building, Cannon Bridge, 25 Dowgate Hill, London, EC4R 2GA. Winterflood Client Nominees Limited is not itself authorised under the Financial Services Act 2000 but we accept responsibility for its acts and omissions.
- 7.2 Eligible securities will be held in the CREST system where appropriate. Other, non-CREST eligible securities will be held either in certificated or uncertificated form by Winterflood Securities Ltd, The Atrium Building, Cannon Bridge, 25 Dowgate Hill, London, EC4R 2GA. We may also arrange for your investments to be held with another custodian where Winterflood Securities Ltd cannot be used. We will use due skill, care and diligence in selecting and appointing custodians and accept responsibility for any loss caused by the acts or omissions of the appointed custodian.
- 7.3 Our appointed CREST custodian is Winterflood Securities Ltd, The Atrium Building, Cannon Bridge, 25 Dowgate Hill, London, EC4R 2GA. **You retain beneficial ownership of the securities held in your Portfolio at all times.**
- 7.4 Balkerne Asset Management and Winterflood Securities Ltd are entitled to retain your assets until any charges due to us in relation to the administration or custody of your assets have been paid in full, but will not exercise any such right for any other purpose.
- 7.5 If you advise that such documents are to be held by yourself or by your nominated custodian without our recommendation, then we accept no responsibility for loss caused by the acts or omissions of your custodian. If we need to obtain the documents for any business which we are arranging for you, you agree to instruct your nominated custodian to make documents available to us or to give us a general authority to make such instructions on your behalf.

8 Client Money, Dividends, Interest and Corporate Actions

- 8.1 Subject to compliance with the Rules and the Client Money Regulations, receipts and other monies held within your portfolio which are pending investment will be deposited with the bank as client money in a client account which has statutory trust status. We will not be liable for any default of the Bank. Except as stated in Clause 13, and subject to clause 8.2, interest derived from monies deposited in such an account will be credited to your Investment Portfolio and will be added to the monies to be invested.
- 8.2 We will pay you the gross interest on the balance standing in your account in accordance with the Financial Services (Client Money) Regulations, as received by us from time to time from Nat West Bank Plc. The rate at which interest is paid by Nat West Bank Plc is variable and will be disclosed to you upon request.
- Interest amounting to **£5** or less per quarter will **not** be paid to you and may be retained by the firm.
- If due and applicable, we will credit your Investment Portfolio with interest, quarterly in March, June, September, and December.
- 8.3 Winterflood Client Nominees Ltd and / or Balkerne Asset Management will do all that they reasonably can to collect any dividends, interest, or any other entitlements to which you may be entitled, and we will credit these to your Portfolio at the earliest opportunity, subject to the deduction of any taxes which may be levied against such receipts. Neither Winterflood Client Nominees Ltd nor Balkerne Asset Management can be held legally liable if a company fails to inform either party about a corporate action and/or a subsequent non-payment of monies to which you may have been entitled.

- 8.4 Where applicable, it is the firm's policy to accept a 'cash' offer as the default option instead of an additional stock dividend.
- 8.5 Any non-attributable fractional entitlements may be sold, and we will keep the cash for our benefit. This will arise where an entitlement cannot be exactly allocated between portfolio accounts because the units or number of shares cannot be divided exactly between each holder.

9 Investment Objectives

Full details of the Investment Objectives are contained in the Balkerne Asset Management Managed Stockbroking Service Key Features Document, which should be read in conjunction with and form part of these Terms.

10 Investment Restrictions

- 10.1 Neither Winterflood Securities Ltd, Winterflood Client Nominees Ltd, nor Balkerne Asset Management will deposit for the purpose of providing collateral for a loan, or use as security to borrow money on your behalf, the documents showing your ownership of your investments, unless you have first given your consent to us in writing.
- 10.2 We are not authorised to act on your behalf in the underwriting of any new issue or offer for sale of securities. We will not advise you on options, warrants or margined transactions.
